

The goal of the Work to Learn program is to prepare 16-21 year olds from the Bridgeport area to transition successfully from adolescence into adulthood by helping them to develop important job/ life skills and achieve educational and financial goals.

Our youth are offered pre-employment training, life skills, internships, volunteer and leadership opportunities.

Job Coaches work with the youth to prepare them for the working world by providing career assessments, resumes, mock interviews, etc.

Youth are also provided financial education, budget counseling, financial coaching and matched savings to purchase assets to prepare them for adulthood.

Youth are connected with resources in the community to help them establish social capital.

**MEATBALL HEAVEN
DO ME A FAVOR**

and

DESIGN IQ & PRINT

are our 3 youth run businesses.

A NEW RESTAURANT!

Our meatballs are made fresh daily
and we offer a variety of flavor and
meat combinations. Each meatball is
paired with its own sauce and can be
served either in a bread cone, a
grinder, or over salad, rice or pasta. We
also offer homemade soups.
For dessert, we have “Sweetballs”
which are fried dough balls served
with your choice of honey, chocolate,
or cinnamon and sugar.

OPENING SOON!
